

# STATEMENT OF UNDERSTANDING

between

---

(Organization)  
and  
Source For Siouxland Community Planning Team

As a means of documenting a partnership between the Source For Siouxland Community Planning Team, and \_\_\_\_\_, we agree to do the following.

The Source For Siouxland Community Planning Team will:

- Collect, interpret, and share community data on an annual basis.
- Educate the community about research-based programs and services.
- Establish and evaluate measurable community outcomes.
- Encourage and include the active participation of those partnering with us in this agreement in all planning and activities.

\_\_\_\_\_ will:  
(Organization)

- Review the data provided at the administrative and board levels of our organization.
- Provide a representative to attend Source For Siouxland Community Planning Team meetings to serve as a liaison between our two organizations.
- Allow our name to be published as a Source For Siouxland Community Planning Team partner.
- Share community-level data with Source For Siouxland as available.

This is an informal agreement without any binding legal responsibilities for either party.
