Empowering Our Community Through Comprehensive Strategies

2022 Siouxland Data Update

The following pages provide a look at data trends in Siouxland in the areas of Education, Health, Safety, Economic Stability, and Quality of Life. Historical reports and year-round updates are found at www.SourceForSiouxland.com.

Source For Siouxland contracts with Siouxland CARES to track and compile the enclosed data, update the online reports, answer your questions about the data, and lead the Source For Siouxland Data Committee. The Committee is always considering new indicators that more fully tell the story of progress and opportunities in Siouxland. Please reach out to SourceForSiouxland@gmail.com with any questions.

FOCUS AREAS

EDUCATION

Access to quality education is imperative for a strong Siouxland. Community members with higher levels of education often have healthier, more prosperous, and socially connected lives. Educational trends also correlate to future workforce needs and opportunities. Source For Siouxland monitors a variety of education indicators including: kindergarten readiness, student proficiency, graduation rates, and available school services.

HEALTH

Prevention of physical and behavioral health issues and access to care for those with current conditions greatly impacts our community. Source For Siouxland monitors health-related data to determine the best ways of improving health outcomes in Siouxland. Some important health indicators include mental health, access to care, substance abuse, obesity, and premature deaths.

SAFETY

Source For Siouxland measures a variety of safety indicators to ensure our community remains a safe place to live and reside. Key indicators of safety include reduction of violence, delinquency, quantity of drugs seized, and abuse.

ECONOMIC STABILITY

Ensuring a stable economy strengthens our communities and provides opportunities for growth. Source For Siouxland tracks economic indicators such as employment, median income, poverty, and access to public services, in order to keep the pulse on local economic needs.

QUALITY OF LIFE

Source For Siouxland keeps track of indicators of enhanced community well-being. Areas of focus include access to healthy foods, parks and recreation, commuting time, and exercise opportunities. Quality of life indicators will continue to expand as collaboration with local organizations leads to increased sharing of wellness-focused data.

ECONOMIC STABILITY

Vision

- Siouxland's workforce is fully employed in jobs that match their education and experience.
- Incomes allow families and individuals to be self-sufficient.

Objectives

- Increased Household Income
- Expanded Affordable Housing
- Reduction in Wage Gap
- Reduction in Unemployment

COVID-19 Data

Beginning in mid-February 2022, Source For Siouxland ceased providing community reports as agencies changed how they reported the data, stopped reporting this data all together, more people were testing at home, and decreased activity. The following is a brief summary of composite data we are able to collect through August 31, 2022. Prior reports may be found at sourceforsiouxland.com.

Note: Official COVID-19 case/test counts have become less reliable with more people testing at home and not reporting the results.
