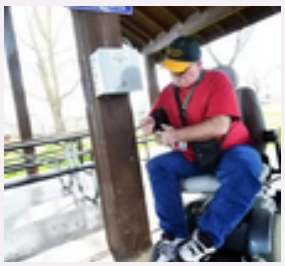
ELEVATING MOBILITY FOR PEOPLE W/ WHEELCHAIRS

Accessing the Map

Individuals looking for publicly accessible wheelchair charging stations in Woodbury County can easily find information by visiting **the Siouxland District Health Department website's 'Disability and Healthy Living' page**. The site provides a centralized, up-to-date resource that helps users identify station locations, plan routes, and ensure their mobility devices remain powered while navigating the community.

Availability

Woodbury County currently has seven publicly accessible wheelchair charging stations. While this provides essential support for mobility device users, helping to enhance independence and participation in community activities, the relatively small number highlights the ongoing need for expanded accessibility infrastructure to ensure equitable mobility and convenience for all residents.



ABOUT US

Source For Siouxland is a collaborative, strategic community planning initiative for a vibrant, safe, and healthy Siouxland. We measure the Economic Stability, Education, Health, Safety, and Quality of Life of the Siouxland Area in order to identify opportunities to build a stronger and more engaged community, prioritize the opportunities, and lead collective impact teams that will improve community outcomes.
